MESSAGE FROM GREEN COUNCIL'S CHAIRPERSON

Dear Friends of the Green Council,

For sixteen years, the Hong Kong Green Awards has served a singular, critical purpose: to spotlight the pioneers who are actively building a sustainable future for our city. This book is a tribute to their vision and tenacity.

This publication captures a dynamic moment in Hong Kong's sustainability journey. It showcases the real-world strategies and tangible solutions being implemented by today's leaders. The organisations honoured here are not just winners; they are the very engine of our city's green transformation.

Across various sectors, a common thread unites them: the profound understanding that environmental responsibility is the bedrock of long-term success and resilience. They have moved beyond commitment to demonstrable action, integrating green principles into their core operations, supply chains, and corporate ethos. Their achievements set a new standard for what is possible in our business community.

My profound thanks go to the judges and our team for their diligent work in curating these Awards. Most of all, I congratulate this year's cohort. Your stories, detailed in the pages that follow, provide a powerful blueprint for progress. Let this book stand not only as a record of your success but as an open invitation and a challenge to every organisation in Hong Kong to join this essential endeavour. The path forward is clear, and you are leading the way.

MESSAGE FROM GREEN COUNCIL'S CHIEF EXECUTIVE OFFICER

Dear Sustainability Leaders, Honoured Guests, and Distinguished Award Recipients,

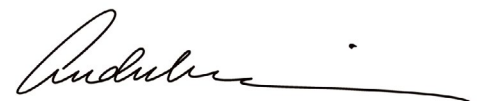

The 16th Hong Kong Green Awards this year are more than a ceremony - they are a definitive statement of progress. The record-breaking number of applications this year signals a fundamental shift: sustainability has become a core driver of business strategy, innovation, and long-term value in Hong Kong. To every winner and finalist, I extend my heartfelt congratulations. Your achievements, showcased in this book, are a testament to the extraordinary results that ambition and action can deliver. You are not just setting benchmarks - you are redefining corporate leadership for our city.

The HKGA framework has been meticulously designed to reflect the comprehensive nature of true sustainability. From the strategic oversight recognised by the Corporate Green Governance Award (CGGA) to the operational excellence of the Green Management Award (GMA), and from the supply chain transformation championed by the Sustainable Procurement Award (SPA) to the groundbreaking innovations celebrated by the Innovative Initiative Award (IIA), each category demands rigorous proof of impact. Your winning entries this year have delivered exactly that - demonstrating measurable results in carbon reduction, resource efficiency, and social responsibility that resonate far beyond your bottom line.

The Green Council's achievements are built on an ecosystem developed over 25 years. As an accredited United Nations NGO, we provide tools and platforms that transform commitment into tangible success. Our services include the Green Council Certification Service (GCCS) - Certification Body (HKCAS 027), offering professional assurance in management system certification, validation, verification, and training to meet international standards and build both local and global credibility. Through initiatives like the robust Hong Kong Green Label Scheme (HKGLS), the 'SDG Actions Hong Kong' platform, specialized workshops on the UN Sustainable Development Goals, and targeted ESG seminars, we empower businesses to integrate sustainability into their core strategies and excel with confidence.

I extend my sincere gratitude to our distinguished Judging Panel, Organising Committee and supporting organisations - your dedication and partnership have been fundamental to this initiative's success. To our award recipients, your leadership illuminates the path forward. The initiatives we celebrate today demonstrate that the future of business lies in sustainability, resilience and inclusivity. I eagerly anticipate your future accomplishments and the new milestones we will achieve together.

Let us continue working hand in hand to drive innovation and champion sustainable development for a greener, more vibrant Hong Kong.

CHAIR

GLOBAL ECOLABELLING NETWORK

On behalf of the Global Ecolabelling Network (GEN), I celebrate the Green Council and all participants of the 16th Hong Kong Green Awards. Your leadership in environmental action exemplifies what GEN champions globally: driving meaningful change through credible ecolabelling and sustainable innovation.

As we move deeper into 2025, ecolabels have evolved from helpful guides to essential tools for climate action—empowering consumers and businesses to make decisions that matter. HKGA stands alongside this movement, spotlighting the green pioneers who are reshaping industries and redefining what’s possible.

Your work in green procurement, breakthrough initiatives, and transparent governance directly amplifies what ecolabelling programs strive to achieve: a marketplace where sustainability is the standard, not the exception. At this critical juncture—where every action counts—Hong Kong’s emergence as a sustainability leader offers a powerful blueprint for cities worldwide.

The path forward demands collaboration. Through ecolabelling, education, and recognizing those who lead by example, we’re not just imagining a sustainable future—we’re building it, together.

CONGRATULATORY MESSAGES

MR. ANTHONY CHAN

ENVIRONMENTAL COMMITTEE
CHAIRMAN

HONG KONG CONSTRUCTION
ASSOCIATION

It is with great pleasure that I extend my heartfelt congratulations to the Green Council and all the outstanding organisations honoured at Hong Kong Green Awards 2025. Being part of this meaningful event fills me with immense joy, as the unwavering commitment to sustainable practices, environmental innovation, and green governance demonstrates visionary leadership for a greener Hong Kong.

As an organising committee member, I am truly inspired by the dedication and passion for fostering positive change. This ceremony not only recognise exceptional achievements, but also motivate industry-wide efforts to elevate green standards and embed sustainability into everyday operations. I hope our collective efforts set inspiring benchmarks and spark hope and enthusiasm for our shared environmental future.

I am honoured to be part of this special occasion and look forward to our continued contributions toward building a resilient and responsible community.

MR. RAYMOND CHEUNG

COMMITTEE MEMBER

THE CHARTERED INSTITUTE OF
PROCUREMENT & SUPPLY (CIPS) -
HONG KONG BRANCH

It is my great honour to extend warm congratulations to the Green Council on the occasion of the 16th Hong Kong Green Awards. Since its establishment, the Green Council has been steadfast in promoting environmental stewardship, sustainable development, and the belief that "Conservation begins with Education." Over the years, the Awards have become a distinguished platform to recognize and celebrate organizations that demonstrate outstanding leadership in green governance, environmental management, sustainable procurement, and innovative green initiatives.

This year's awardees have set exemplary standards by integrating sustainability into their core strategies and operations, thereby contributing meaningfully to a greener and more sustainable Hong Kong. Their achievements serve as an inspiration to the business community and the public alike.

I commend the Green Council for its unwavering dedication, and I look forward to its continued success in fostering a culture of sustainability for future generations.

Congratulations to the HKGA 2025 Awardees! Your unwavering dedication, guided by the principle that "Conservation begins with Education," has been instrumental in propelling Hong Kong towards a more sustainable future.

This prestigious event rightly celebrates the vanguard of this movement—the organisations and corporations demonstrating exemplary leadership in green governance, innovative initiatives, and sustainable operations. By honouring excellence across such a diverse range of categories, from green procurement to integrated management, the Awards set a powerful benchmark for all industries.

To all the 2025 awardees, your commitment to embedding environmental responsibility into your core strategies is commendable and inspirational. You are not just adapting to a changing world; you are actively shaping a greener, more resilient future for Hong Kong. My best wishes for a memorable ceremony.

MR. CHOW, TING HING,

PRESIDENT

THE HONG KONG
OCCUPATIONAL SAFETY AND
HEALTH ASSOCIATION

On behalf of the Hong Kong Occupational Safety and Health Association, I am delighted to extend our heartfelt congratulations to all the recipients of the 16th Hong Kong Green Awards 2025. Your outstanding commitment to environmental sustainability and innovative practices has set a remarkable standard for creating a greener, safer, and healthier future for Hong Kong.

The Hong Kong Green Awards celebrate excellence in environmental stewardship, and this year's winners have demonstrated inspiring dedication to fostering sustainable workplaces and communities. Your efforts in promoting eco-friendly initiatives, reducing environmental impact, and integrating sustainability into your operations align closely with our mission to ensure safe and healthy workplaces for all.

We applaud your achievements and encourage you to continue leading by example in building a sustainable and resilient Hong Kong. Together, let us strive for a future where environmental responsibility and occupational safety go hand in hand, creating thriving communities for generations to come.

Congratulations once again on your well-deserved recognition!

CHAIRPERSON
HONG KONG CHAPTER OF
BUILDING SMART

Congratulations to the Green Council for organizing the 16th annual "Hong Kong Green Awards" (HKGA) with remarkable achievements in 2025!

The 16th HKGA successfully gives recognition to deserving businesses and organisations that exhibit exemplary leadership and contribute their best towards sustainability, comprising five distinct categories of sustainable procurement, green management, environmental, health and safety, corporate green governance, and innovative initiative.

Rome is not built in a day. Over the years, we have been seeing a steady growth in participants and award categories. May I offer my warmest congratulations to all the award winners for their outstanding achievements. They all deserve another round of applause for their exemplary performance. I have high hopes that they will continue to lead the way as role models in society.

Once again, may I thank and congratulate the Green Council for the brilliant results in organizing a most successful HKGA 2025.

IR LINDA W P HO
CHIEF EXECUTIVE OFFICER
GREEN COUNCIL

On behalf of the Green Council, I extend our warmest congratulations to the outstanding recipients of the Hong Kong Green Awards 2025. We also extend our sincere gratitude to the HKGA Organising Committee and Judging Panels, whose professionalism and dedication have been instrumental to the success of this year's awards.

The innovative approaches and concrete actions demonstrated by this year's participants reflect a shared commitment to integrating sustainability into core operations. These accomplishments not only set new benchmarks for environmental excellence but also light the path for broader community-wide transformation.

As we honour these achievements, we are confident that the initiatives recognised today will serve as catalysts for continued progress, inspiring collaborative action toward our collective vision of a sustainable Hong Kong.

DR. LOBO FUNG
PRESIDENT
HONG KONG INSTITUTE OF
CERTIFIED PROPERTY MANAGERS

On behalf of the Hong Kong Institute of Certified Property Managers, I have great pleasure in congratulating the 16th Hong Kong Green Awards 2025.

In the face of the global climate change, every company should make efforts to help protect the environment and reduce carbon emissions. Hong Kong Green Awards organized by the Green Council since 2010 plays a very important role in elevating Hong Kong as a sustainable city.

I am sure that, with the effort of the Green Council, it will continuously contribute for the advancement of the environmental protection industry and the sustainable development of our community.

Congratulations to Green Council and wish you every success in the years to come!

PROFESSIONALS

It is my deep honour to extend my heartfelt congratulations to all winners and participants of the 16th Anniversary Hong Kong Green Awards 2025, organised by the Green Council. Over the past sixteen years, the HKGA has recognised visionaries and changemakers whose leadership, creativity and commitment are shaping a more sustainable future for Hong Kong and beyond.

Across the five categories – Corporate Green Governance Award (CGGA), Green Management Award (GMA), Environmental Health and Safety Award (EHSA), Innovative Initiative Award (IIA) and Sustainable Procurement Award (SPA) – you have shown that progress happens when innovation meets commitment.

Serving as an Organising Committee member and Panel Judge, I have been truly inspired by the passion, innovation and positive impact demonstrated by every participant. Your accomplishments prove that every action matters and that together we can create lasting impact for people and planet. May this commemorative volume honour your contributions and inspire many more to turn ambition into action for a greener, healthier and more resilient tomorrow.

MR. VICTOR KWONG

CHAIRMAN OF ENVIRONMENTAL
COMMITTEE

INSTITUTE OF ESG & BENCHMARK

Congratulations to all the recipients of the Hong Kong Green Awards 2025! Your remarkable dedication to environmental stewardship, innovative sustainability practices, and commitment to health and safety excellence truly set you apart. By championing green management and sustainable development, you are not only helping to protect our planet but also creating a healthier and safer workplace for all.

Your leadership demonstrates how organizations can achieve both business success and social responsibility by embedding sustainability into every aspect of operations. These efforts inspire the wider community, driving collective progress towards a greener, more resilient, and sustainable Hong Kong.

On behalf of the community, we extend our heartfelt appreciation for your invaluable contributions. May your achievements continue to shine as a beacon of innovation, responsibility, and sustainability. Together, you are shaping a brighter future for generations to come!

EXECUTIVE COMMITTEE MEMBER
HONG KONG GREEN STRATEGY
ALLIANCE

My heartfelt congratulations to Green Council and the recipients of the Hong Kong Green Award 2025. It is so encouraging to see the increasing momentum of corporates towards a sustainable Hong Kong. Through the five categories of prestigious awards: Corporate Green Governance Award, Sustainable Procurement Award, Green Management Award, Environmental, Health and Safety Award and Innovative Initiative Award, the winning corporates showcase their strong commitment and outstanding performance under the ESG considerations in their daily operations. More importantly is the spreading of the green vision and spirit of these Awards to every sector of the community in achieving sustainability. We look forward to seeing the continual prosperity of the Hong Kong Green Award in the years to come!

IR EDMUND K H LEUNG
SBS OBE JP FHKIoD
DEPUTY CHAIRMAN
THE HONG KONG INSTITUTE OF
DIRECTORS

For many years, The Green Council have organized this award programme to promote organizations to focus on ESG activities, in addition to their routine profit-making business.

A successful organization can only be sustainable if they look after the best interests of their stakeholders, and this event is an excellent measurement of their success in these areas.

The Hong Kong Institute of Directors promotes good governance, and I am pleased to see governance issue being recognized as one of the key elements for award.

In this respect I am pleased to see that our contestants have, once again, demonstrated their projects of extremely high quality and with due attention to all three components of ESG. This confirms their understanding of these vital pillars supporting the solid foundation of successful organizations.

Let us join hands to support The Green Council to help promote a high standard of Corporate Governance to help to achieve this goal.

IR DR TOMMY LO

PRESIDENT

HONG KONG INSTITUTION OF
CERTIFIED AUDITORS

Warmest congratulations to the Green Council on the continued success of the Hong Kong Green Awards. Year after year, this remarkable initiative has championed environmental sustainability across all sectors, inspiring meaningful change and aligning Hong Kong with global best practices.

As a member of the judging panel, it has been my distinct privilege to witness the exceptional caliber of entries submitted. I was deeply impressed by the innovative solutions and passionate commitment demonstrated by participants from the business, community, and educational spheres. These efforts reflect a powerful and growing movement toward sustainability—one that the Green Council has so effectively nurtured. I am confident that the award winners will continue to inspire others to embrace sustainable practices and contribute to a greener future.

Once again, I extend my heartfelt congratulations and sincere thanks to the Green Council for your unwavering dedication to building a greener, more sustainable future for Hong Kong.

PROF. NG WAI KWAN,

My heartfelt congratulations to the Green Awards Winners this year! All participants have demonstrated their great visions, exceptionally achievements, and their unwavering commitments to building a more sustainable future. Their smart and never-ending commitments for a greener future are highly appreciated!

To actively participate in the Green Awards also helps meet the 'New Quality Productive Forces' target in a green, innovative and sustainable environment. In this respect, the continued great successes of the Green Council in promoting Hong Kong as a Green, Smarter Sustainable City have been widely recognized.

I would also like to congratulate the excellent teamwork and effective leadership behind the Green Council in organizing and promoting the Green and Cleaner Education in Hong Kong. Let's work together to win the total sustainability!

IR PROFESSOR KAIMIN SHIH

CHAIRMAN (2025-26)
ENVIRONMENTAL DIVISION

THE HONG KONG INSTITUTION
OF ENGINEERS (HKIE)

I was highly impressed by the applicants for the Hong Kong Green Awards 2025, organized by the Green Council. This flagship award in Hong Kong represents a solid recognition of business entities that strongly support sustainable development. As a pioneering non-governmental organisation and certification body, the Green Council is on a mission to advance Hong Kong's development as a model of urban sustainability. The Hong Kong Green Awards scheme is a prime example of the critical role played by the Green Council in exploring various sustainable strategies. The 16th anniversary of the Hong Kong Green Awards has again invaluablely enhanced the achievements in green governance, health and safety, management, innovation, and procurement for Hong Kong. Congratulations!!

CR TANG YU-CHI, ALFRED

PRESIDENT

HONG KONG INSTITUTE OF
CONSTRUCTION MANAGERS

On behalf of the Hong Kong Institute of Construction Managers, I extend my warmest congratulations to the Green Council on the occasion of the 16th Hong Kong Green Awards.

Over the years, the Awards have played a vital role in inspiring organizations to adopt sustainable practices and integrate green values into corporate strategies. This aligns closely with HKICM's vision of advancing a more sustainable and resilient built environment.

We commend the Green Council for its continuous efforts in promoting environmental stewardship and sustainability excellence. May this year's Awards continue to drive innovation, collaboration, and a greener future for Hong Kong.

KEY MILESTONES OF THE HONG KONG GREEN AWARDS

In 2010, the Hong Kong Green Awards (HKGA) was inaugurated, marking a pivotal moment not just to celebrate the 10th Anniversary of the Green Council, but as a proactive response to the rapidly evolving local and regional landscape of sustainability. At a time when corporate social responsibility (CSR) and environmental, social, and governance (ESG) reporting were still emerging priorities, the Green Council recognised the pressing need to catalyse transformative

change within Hong Kong's business community, ensuring that sustainability became an integral component of corporate strategy and decision-making processes.

With a growing public demand for transparency from corporations, the HKGA emerged as a tool designed not only to benchmark and reward early adopters of sustainability practices, but also to foster a culture of green leadership among organisations. The awards were crafted to encourage businesses to embed sustainability into their core strategies, drive continuous improvement, and build a collaborative platform that connects stakeholders across various industries to share best practices and innovations.

HKGA

In 2024, the rebrand of our award logo heralds a new chapter in our journey. At its core, the bird takes flight as a central emblem - an enduring symbol of balance between humanity and nature, rising gracefully toward a greener and more sustainable future. This refreshed design not only preserves the timeless spirit of our mission but also reaffirms its relevance in today's dynamic sustainability landscape, inspiring progress and hope for generations to come.

華潤電力控股有限公司

創一流，向世界賦能高質量、可持續發展

公司以「賦能綠色發展共創低碳生活」作為企業使命，以實現經濟、社會、環境綜合價值最大化為目標，構建社會責任管理模式，將可持續發展理念全方面融入公司戰略規劃、企業管治、業務運營，助力實現「成為世界一流的清潔能源供應商和綜合能源服務商」的企業願景，推動公司全面協調可持續發展。

一、聚焦戰新產業，推動綠色轉型

陽江三山島四海上風電項目測風塔

三九在涼山州協同開發藥光互補光伏項目

1. 優化海上風電資源配置

在廣東海上風電項目競配中，因地製宜打造出「海上風電+海洋牧場」「國際風電城」「國際風電創新港」等具有華潤特色的合作方案，實現廣東省海上風電業務「零」的突破，為公司清潔能源業務向基地化、規模化發展奠定了堅實基礎。

2. 推進「光伏+」，打造「藥光互補」智造基地

在四川涼山州，我們深度對接地方政府建設中醫藥全產業鏈的戰略規劃，緊扣涼山州資源能源、特色農業、文化旅遊「三篇大文章」，精心策劃「涼山州中醫藥全產業鏈和新能源發電」方案，成功獲取涼山州首批百萬千瓦的新能源項目；與

華潤三九協同配合，系統分析涼山州中醫藥全產業鏈和新能源發電項目協同發展的關鍵問題，在光伏產業用地上同步建設中藥種植養殖基地，打造中藥綠色智能製造基地，拓寬了新能源產業發展思路，推動地方產業綠色低碳轉型。

三塘湖新能源電站配套儲能項目

香港綠色交通

電能聚合+碳能聚合
重慶數智產業園標準廠房光伏儲充一體化項目

3. 開發智能組串式構網型儲能技術，消納清潔電力

我們依托三塘湖新能源電站配套儲能項目，開展「100MWh級智能組串式構網型儲能系統」的研發工作。該系統可以通過模擬同步發電機的方式，為電力系統提供慣量、頻率和電壓支撐，從而增強電力系統穩定性，使電網能更好地消納清潔電力。2024年12月，項目成功完成試驗，標誌著其具備正式運行條件，可以為電網提供長期、穩定的支撐。2025年1月，該項目榮登國家能源局第四批能源領域首臺（套）重大技術裝備名單。

4. 聚焦香港綠色交通替代，聯動內地多場景示範項目

我們深度參與香港綠色交通替代進程，堅持「深耕一個市場，依靠一個團隊，搭建一個體系，使用一套標準，提供一流服務，成就一個品牌」的「六個一」思路，積極構建充電業務核心競爭力，推動充電網絡互聯互通；同時輻射內地，打造蘇南經開區充電網、重慶光儲超充電網、廣州南沙徐工重卡換電站、焦作高鐵站光儲充等多業務場景示範項目，累計已投運集中式公共充電站114個，充電終端2059個，總充電功率65MW。

5. 電能聚合+碳能聚合，豐富綜合能源服務

我們錨定「成為一流的清潔能源供應商和綜合能源服務商」的願景，以「電能聚合+碳能聚合」為發展方向，聚焦「三電一節能」重點賽道，強化運營管理體系建設與新技術疊代升級，研發低碳節能標準化產品，全力拓展綜合能源業務。

二、多措並舉，減少「三廢」排放

廢氣

廢水

廢棄物

1. 廢氣

引入先進技術與設備，全面升級燃煤發電機組脫硫、脫硝、除塵系統。河北區域火電機組先行先試，達到省環保績效A級標準，煙塵排放濃度小於5毫克/立方米，二氧化硫排放濃度小於25毫克/立方米，氮氧化物排放濃度小於30毫克/立方米。

2. 廢水

華潤電力著力推進水資源循環利用，強化梯級利用與廢水回用效率，持續擴大城市再生水應用規模，旗下磴口、盤錦、豐潤等11家火力發電廠使用城市再生水替代新鮮水源；錫林郭勒項目協同回收利用礦井疏幹水每年約4萬噸，節約等量新鮮用水。

3. 廢棄物

我們嚴格落實《中華人民共和國固體廢物汙染環境防治法》的要求，提升危險廢物的管理水平，推動無害廢棄物綜合利用，有效降低固體廢棄物對環境的潛在威脅。2025年1-10月，公司深汕、廣州、板橋等9家燃煤電廠累計協同處置4市政汙泥68.87萬噸；古城電廠協同處置藥渣（危險廢棄物）13,518.24噸；焦作電廠協同處置廢電石渣15,790.54噸；賀州電廠協同處置廢大理石漿液97,800.98噸；錦州電廠協同處置白泥19,921噸。

三、投身低碳與環保技術創新應用，助力溫室氣體減排。

1. 聚焦綠色低碳技術

我們持續投入CCUS技術研發工作，為我國推進實現「雙碳」目標貢獻力量。我們基於深汕公司2萬噸/年多線程碳捕集平臺，申請「用於二氧化碳吸收劑再生的高效催化材料及外場強化技術項目」與「基於煤/生物質耦合燃燒高效清潔發電負碳排放關鍵技術」兩個國家重點研發計劃項目，主導編寫「燃煤電廠煙氣碳捕集裝置技術監督導則化學吸收法」中國電機工程學會團體標準，發明的「一種碳捕集後廢氣中有機胺濃度的測量裝置及測量方法」申請專利並被受理。

低碳技術

2. 打造多能互補低碳能源新型電力系統示範基項目

我們探索以「光火儲氫協同」為核心的新型電力系統構建路徑，旗下滄州公司通過火電靈活性改造與新能源、儲能、氫能技術的深度融合，破解高比例可再生能源並網消納難題，打造「源網荷儲」一體化發展樣板。構建立體化能源矩陣，助力鄉村振興與新能源產業融合。

多能互補低碳能源新型電力系統

四、責任榮譽

華潤電力榮獲「央企ESG先鋒100指數」第一；
榮獲「中國ESG上市公司先鋒100」榜單第一；
連續六年入選恒生可持續發展企業基準指數和恒生ESG50指數；MSCI-ESG評級獲評A級。

華潤隆地有限公司

華潤隆地以“綠色低碳、和諧共生”為環境責任核心理念，將環境保護納入全業務鏈條管理，構築可持續發展根基。

在清潔能源應用方面，公司積極將「充美好」超充站推廣覆蓋全港核心商圈，並出海泰國服務「一帶一路」戰略；公司全力支持「萬家燈火」計劃，為香港超過1萬戶基層家庭更換LED燈，守護綠色承諾；雄安木棉花酒店太陽能光伏項目於2025年中投入使用，助力綠色能源發展。在循環經濟方面，公司加強能源數字化與智能化管理，在香港華潤大廈智能化改造項目完成後，綜合節能率超35%，2024~25年連續兩年榮獲聯合國可持續發展目標香港成就獎銀獎。在環保文化方面，公司每年積極開展全國節能宣傳周及全國低碳日等環保宣傳，全力支持「全年環保回收」「地球一小時」「香港綠色日」等多項環保活動，營造了濃厚的綠色環保文化氛圍。在綠色建築方面，公司積極推動香港華潤大廈及深圳灣/惠州小徑灣/河北雄安三家木棉花酒店開展BEAM Plus認證，該項目於2024年11月榮獲首個中國內地和香港物業組合綠建環評最高級別「卓越級」認證，並成功培養了多名綠建專才。

公司積極響應國家「雙碳」目標，萬元產值二氧化碳排放（可比價）較上年同期減少超20%。未來，華潤隆地將繼續加強綠色發展能力建設，在社會全面“轉綠”浪潮中加快業務綠色低碳轉型，通過加強內部綠色管治、深化與優秀企業開展對標及交流合作、提升員工與客戶的綠色低碳意識等措施，守護生態環境，共建人與自然和諧共生的美麗中國。

D&G TECHNOLOGY HOLDING COMPANY LIMITED

Won Hong Kong Green Awards – Corporate Green Governance Awards for ten consecutive years

Won UNSDG Achievement Awards Hong Kong since 2022

Supported Hong Kong Green Day for ten years

Participated at various Green events every year, supported Earth Hour for thirteen years

Won BOCHK Corporate Low-Carbon Environmental Leadership Awards for ten consecutive years

Published Sustainability Report for ten years

D&G Technology is steadfastly committed to environmental sustainability. Since our public listing in 2015, we have consistently published ten comprehensive sustainability reports, demonstrating our unwavering dedication.

As a responsible manufacturer of asphalt mixing and recycling plants and equipment, we prioritize sustainable development throughout our operations, ensuring that our management strategies fully reflect this commitment.

Guided by the principles of sustainable development, we actively support the United Nations Sustainable Development Goals (SDGs). In recent years, we have systematically aligned our core business activities with the SDGs, adopting them as a strategic framework and focusing on five specific goals through bespoke initiatives.

Our Sustainability Committee plays a pivotal role in integrating environmental, social, and governance (ESG) considerations into our operational framework, thereby ensuring that our strategic objectives are consistent with long-term sustainability imperatives.

Over the years, D&G Technology has been honoured with multiple distinguished awards in recognition of our sustainability endeavours, including the BOCHK Corporate Low-Carbon Environmental Leadership Awards, the Hong Kong Green Award – Corporate Green Governance Award for ten consecutive years, as well as the UNSDG Achievement Awards Hong Kong for four consecutive years.

Looking ahead, D&G Technology remains dedicated to devising and implementing innovative strategies and initiatives to further advance our contribution to sustainable development.

CHINA AIRCRAFT SERVICES LIMITED

China Aircraft Services Limited (CASL) aims to be one the leading MRO companies by supporting airlines in offering safe, clean, and comfortable flights. Our mission is to help passengers reach their destinations on time so they can visit loved ones, explore the world, and discover new experiences. To achieve this, establishing sustainability strategies and management systems are the foundation of our commitment to green management.

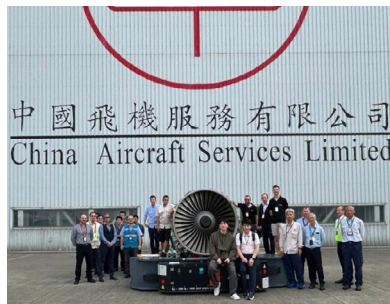

CASL align with national policies and the action plans established by the Hong Kong SAR Government and the Airport Authority Hong Kong to achieve carbon neutrality. We actively participate in different sustainability initiatives at the Airport Community with the same goal to net-zero carbon emissions by 2050.

Comprehensive and dynamic goals – Energy & Carbon; waste management; water conservation; sustainable procurement and social responsibility have been adopted into our sustainability policy as well as management systems to drive new initiatives and measures. To initiate and drive sustainability measures, we established four layers of organizational structure: from Steering Committee, Implementation, Working Group to Auditing. We believe that our sustainability initiatives and measures can be implemented effectively through a comprehensive management system and corporate leadership.

China Aircraft Services Limited committed to sustainability goals as social responsibility. We aim to build a sustainable future together with partners of Airport Community.

THE HONG KONG AND CHINA GAS COMPANY LIMITED

As longest-standing public utility company, Towngas has made the pursuit of energy transition a top priority.

In November 2025, we successfully supported the National Games golf event with our hydrogen power solution.

As Hong Kong’s longest-standing public utility company, Towngas has made the pursuit of energy transition a top priority, consistently delivering cleaner, lower-carbon energy solutions.

Our journey began in 1862 and took a major step forward in the 1960s with the phase-out of coal as a feedstock, followed by the integration of natural gas and biogas into local town gas production. Today, we are driving significant strategic investments in new energy development—reflecting our deep-rooted culture of energy innovation.

Our tangible achievements include applications for green methanol, hydrogen, and sustainable aviation fuel (SAF), designed for use across sea, land, and air transport. In November 2025, we successfully supported the National Games golf event with our hydrogen power solution.

These initiatives not only support China’s “30-60” dual carbon goals but also align with the HKSAR Government’s action plan for carbon neutrality by 2050.

Recognising the critical role of effective governance in ensuring a reliable energy supply while advancing decarbonization, we have established a clear framework to enhance organisational resilience. By continuously refining our management structures, policy mechanisms, risk management strategies, and other aspects of corporate governance, the Group navigates complex market dynamics with agility, creating long-term value for all stakeholders.

KERRY PROPERTIES LIMITED

Kerry Properties Limited is a well-established property company focused primarily on investing in premium quality property developments in Hong Kong and Chinese Mainland. Sustainability is embedded across our assets and communities, guided by our Sustainability Vision 2030.

We have developed a Carbon Neutrality Roadmap targeting net-zero emissions by 2050, with near- and long-term goals officially validated by the Science Based Targets initiative (SBTi). Our environmental efforts also include biodiversity initiatives, such as pilot assessments and habitat creation in Shenzhen, as well as enhancements like bird water stations and native vegetation in Hong Kong.

We expanded our carbon audit programme to encompass Chinese Mainland properties, applying a structured approach to reduce greenhouse gas emissions. Initiatives such as “Dark Green Leasing” and Low Carbon Stewardship Scheme encourage tenants and suppliers to improve sustainability performance. To strengthen sustainability awareness across our value chain, we launched a Sustainability Education Programme for suppliers and contractors, covering topics including carbon neutrality, renewable energy, and biodiversity.

Climate resilience is strengthened through a dedicated taskforce and comprehensive risk assessments across all owned and managed properties. Climate-related risk management is now embedded in our internal audit framework. Innovation also underpins our strategy, with smart waste management solutions using IoT sensors, autonomous robots, and mobile apps—enhancing environmental impact and user experience.

By consistently creating value through our actions, Kerry Properties aims to fulfil its role as a socially responsible company in co-creating a sustainable future.

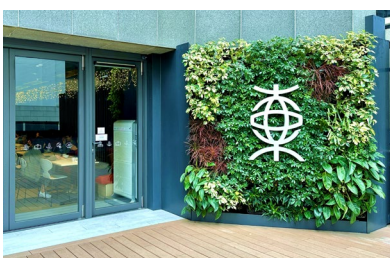

THE BANK OF EAST ASIA, LIMITED

Since 1918, The Bank of East Asia (BEA) is a leading Hong Kong-based financial services group dedicated to providing services to our customers in Hong Kong, the Chinese Mainland, and 8 major markets, with about 120 outlets and around 8,000 employees.

We recognise the banking sector's pivotal role in combating climate change and have therefore pledged to achieve net zero financed emissions by 2050 and net zero operational emissions by 2030. As of June, BEA's green and sustainable finance grew to 17.3% of total corporate loans and bond investments from under 5% in 2021. Besides, we aim to cut Scope 1 & 2 emissions by 39% from 2019 levels through energy efficiency improvement and renewables adoption by end of 2025.

To further influence our stakeholders, BEA is committed to sustainable procurement and vendor stewardship. Our Centralised Procurement Section provides integrated procurement services and oversight on ESG matters along our supply chains. Guided by our "Sustainable Procurement Policy" and "Centralised Procurement Policies & Procedures", we have established a "Supplier Code of Conduct" outlining BEA's requirements and expectations for suppliers' ESG performances. In addition, our ESG risk assessments are conducted using the "Supplier ESG Risk Calculator" to closely monitor any related controversies.

Looking ahead, BEA will continue to strive to be a sustainability leader among financial institutions in Greater China and beyond.

ABOUT GREEN COUNCIL

Founded in 2000, The Green Council is a non-profit, non-partisan charitable organisation (Ref. No.: 91/6063) dedicated to environmental stewardship in Hong Kong. Operating also as an accredited certification body (HKCAS-027), it was established by a pioneering coalition of industry leaders and academics united by a single vision: to propel Hong Kong into the future as a world-class green city. From its inception, the Council's core mission has been to inspire the industrial and commercial sectors to seamlessly integrate environmental protection into the heart of their management and production processes.

GREEN COUNCIL INITIATIVES

GREEN COUNCIL HIGHLIGHT OF INITIATIVES

SDG ACTIONS HONG KONG

We support the Sustainable Development Goals

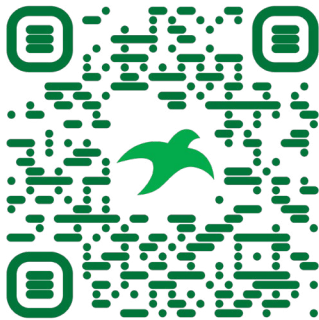

SDG ACTIONS HONG KONG

Initiated by the Green Council, this initiative is dedicated to promoting sustainable development goals in Hong Kong. The aim is to unite the business sector, organisations, academia, and individuals to collectively inspire, participate in, and empower meaningful and effective actions towards a sustainable future in Hong Kong. With the mission of “Together Towards Tomorrow,” the initiative provides an open platform for various sectors in Hong Kong to raise awareness of the Sustainable Development Goals (SDGs). The initiative includes:

1. Online information and updates on SDGs to enhance understanding of sustainable development.
2. An online directory to offer more exposure to registrants.
3. Encouraging registrants to use the Hong Kong Actions logo in printed or digital media.
